

Rockville Art League Juried Members' Spring Show 2020

Ruth Lozner's Judge's Statement

What an absolute pleasure it was to have judged the Spring 2020 Members' Show! While reviewing the work, it struck me that all of these artists possess an enviable and wonderful gift to artfully express their own unique vision of life around them --of their homes, their travels, their friends, their treasured objects, their interior thoughts and feelings. All artists choose subject matter that somehow calls to them. For me, and for any viewer, it is a privilege to peer into that individual's experience of that call by seeing its visual expression in their artwork.

The art submitted presented a gloriously wide range of subject matter, styles and techniques. Indeed, that is the strength of an exhibition such as this and I look forward to seeing all the artwork in person. (Along with everyone, I suspect, I do so hope there might be an actual gallery show and not just a virtual one!) I was thoroughly impressed by the overall mastery of the medium, the thoughtful compositions, the competence of techniques, the inherently interesting subjects, and the grasp of light and color.

I send my hearty congratulations to all the artists—well done!!
